Christian Universal Redemption Baptist Association
Freedom Baptist proudly stands on the 1611 K.J.V. translation of God's word and on clarification, amplification, and illumination of God's word as given in the Masoretic Hebrew, Coine' Greek manuscripts. We are not of the 'King James only sect who ignorantly believe the 1611 AV can correct the Greek Hebrew received text (Textus Receptus).

"As well we categorically reject Unitarian Universalism as deadly heresy."

Our Subject Today Is...The Curse of Atheism

The scripture says, "The fool hath said in his heart, there is no God" Psalm 14:1, and "It is a fearful thing to fall into the hands of the living God," Hebrews 10:31. Plainly, atheists are spiritually bankrupt 'zombies,' with valueless values by their own admissions that everything is relative to what one wants in life, and there are no absolutes in values of right or wrong. Only what one deems to be right or wrong for himself is the atheist standard (the atheist 'absolute!!'). Interesting that he damns others for having solid absolutes of right and wrong based on the Bible, and wants to purge it from schools and society, but

his 'absolute' is that there are no absolutes (except his absolute that anything goes if it suits you)! Quite grossly hypocritical I would say. "Believe anything you want," he says, but then damns Christians for doing just that, (i.e. damns Christians for believing the Bible is the word of God with absolute values of right and wrong). He

condemns Bible and prayer in the schools, prayers at public school events etc, and in so doing tries to force his absolute of valueless values on everyone else, trying to make them spiritual zombies as well! We ask who should follow a spiritual zombie practicing valueless values, saying there are no absolutes of right or wrong except his? By his own admission the atheist strips himself of the right to pontificate his absolute of valueless values to anyone, and also to be consistent he should remain silent! Atheists are not true Americans. True Americans revere the constitution/Judeo Christian values. Maybe they should be deported to atheist countries, and maybe they should legally be silenced.

Thus, atheists are spiritually bankrupt zombies, who by their own admission have unwittingly disqualified themselves from the following places in society. Doctors, lawyers, judges, law enforcement, teachers, ministers, politicians, all medical/legal workers, bankers, etc. I wonder if an atheist who is really innocent of a charge would want an atheist judge or lawyer to work or prosecute his case? Oh, I am sure he is happy to have a Christian judge or prosecutor/lawyer righteously judge his case, but not one with his valueless value system of right or wrong! He could not trust them for a fair trial. Can one trust an atheist? Yes, absolutely you can. You can trust them to be immoral, dishonest, and corrupt choosing to cheat, lie, betray or be dishonest to you whenever you have business dealings with them. Their valueless value system allows them to be honest when it best suits them, and to be dishonest when they need to be. What innocent person (including an atheist) would want a jury of atheists to judge their case?

America was founded on Judeo/Christian values based on God's word. It was not founded on atheism. Atheist are happy to live here under the very system that protects them and their assets, but use that same system to damn the very Bible that gives them those protections! Hire an atheist? Answer that yourself. Just visit an atheist web site, and notice the angry, virulent, caustic hatred they spew against God, Christ, the Bible and Christian people. I ask how a 'spiritual zombie' can have any right to damn/condemn anyone or anything. This condemnation they heap on Christianity etc, shows their gross hypocrisy by claiming anyone can believe anything they want to be right or wrong, and then damn those who embrace Jesus and His values.

Atheism is a cancer upon civilization, because a society built and based on atheistic valueless values would implode into total lawlessness and chaos. Thus the only system atheism can thrive and grow in is in the Judea/Christian culture. If not checked and stopped this virulent cancer will eventually destroy this culture, bringing it into total chaos and disrepair. To make and enforce laws which promote the values of Judeo/Christian values is only right and wise. Truthfully, atheism and its valueless values which breed lawlessness and anarchy should be outlawed. Should Nazism, commu-

nism, and yes atheism be allowed to run rampant in America shredding and destroying our constitution? Shouldn't atheists be denied access to hospitals since they were originally created by Christians/missionaries and atheists so hate the church? Should atheists enjoy compassionate care from church created institutions since they want to destroy the church? What atheist organization gives loving compassionate care to the sick, weak, homeless and destitute? Is it any wonder that the mass Texas church shooting (26 dead) was done by an avowed atheist? So in closing, would you follow a mentally morally dead zombie and embrace his valueless value system, or stand on the time honored values of the Bible, the infallible Word of Almighty God? We need to outlaw atheism from society and rightly follow true Bible standards of right and wrong!

Pity the Atheist on His Death Bed

Thomas Payne the leading atheistic writer in American colonies: "Stay with me, for God's sake; I cannot bear to be left alone, O Lord, help me! O God, what have I done to suffer so much? What will become of me hereafter? "I would give worlds if I had them, that The Age of Reason had never been published. O Lord, help me! Christ, help me! ...No, don't leave; stay with me! Send even a child to stay with me; for I am on the edge of Hell here alone. If ever the Devil had an agent, I have been that one."

Sir Francis Newport, the head of an English Atheist club to those gathered around his deathbed: "You need not tell me there is no God for I know there is one, and that I am in His presence! You need not tell me there is no hell. I feel myself already slipping. Wretches, cease your idle talk about there being hope for me! I know I am lost forever! Oh, that fire! Oh, the insufferable pangs of hell! ...Oh, that I could lie for a thousand years upon the fire that is never quenched, to purchase the favor of God and be united to Him again. But it is a fruitless wish. Millions and millions of years will bring me no nearer the end of my torments than one poor hour. Oh, eternity, eternity forever and forever!, Oh, the insufferable pangs of Hell!"

D.L. Moody great evangelist on passing said, "Earth recedes. Heaven opens before me. If this is death it is sweet! There is no valley here. ...I am not dreaming, I have been within the gates. This is my triumph, this is my coronation day! It is glorious!"

Bible Question of the Week

Doesn't the Word of God teach that the wicked will go to 'everlasting punishment' as in Matthew 25:46? Doesn't that teach that sinners will be punished for eternity in hell fire and brimstone?

Answer

Jesus did not come to save us from Hell or the Lake of Fire. He came to save us from our sins. One church recently had on their outdoor sign, 'CHOOSE ETERNAL HELL OR ETERNAL HEAVEN.' That is like a man saying to a woman, 'Marry me or I'll kill you.' Jesus does not say (as the sign lyingly implies) 'Accept me or I'll burn you in fire/brimstone forever.' That is not the gospel. Matt. 1:21 tells us "... call Him Jesus for He shall save His people from their sins" not from eternal damnation! The sign implies, "Yes...use a false motivation to be saved (i.e. use Jesus as a fire escape)". No! God will not save someone using a false motivation to receive salvation! The only acceptable motivation to be saved is true sorrow and repentance from sin, and not using Jesus as a fire escape! (This pastor should resign not understanding the true gospel). Jesus (Col. 1:16) did create Hell/Lake of Fire, and the conditions and duration of suffering therein. He does not however reward infinite punishment for finite sin. He is not a sadist. The truth is that the words, 'everlasting, forever, eternal' (aionios Gk.) in the original language merely means 'continuous indefinite duration or ages and ages' but not 'endless' which is 'aidios' in the original language. Jesus our Lord never (nor His disciples) used the term 'endless' (aidios) regarding punishment. Endless damnationists thus add to God's word. One day He will win all to Himself. "Every knee shall bow and every tongue shall confess that Jesus Christ is Lord to the glory of God the Father." Phil. 2:10-11. Romans 5:12, "...by one man, ...death by sin...passed upon ALL men," and verse 18, "...by the righteousness of one...the free gift (salvation) ...upon ALL men..." I Cor. 22, "For as in Adam ALL die even so in Christ shall ALL be made alive." Plainly and eventually, ALL will be saved.
